

Need Money for Diving Equipment?

Fellow divers, friends and families

Want an easy way to buy the dive equipment you need?

I have a fantastic referral system set up where you can receive vouchers to spend at Allways Diving for very little effort.

My name is Andrew Bingham, and I have a Home Loan Business where the majority of my clients come from referrals. I have offices in Brisbane and Nerang and have clients from Caboolture to Gatton to northern NSW so I travel everywhere.

What's in it for you? For every person you refer to me who is interested in looking at different ways to pay their home off faster, consolidate debt or purchase a property, you can benefit. For each referral who I can make an appointment with, I will give you a \$20 voucher for the dive shop to use for equipment, trips or anything else you need to enjoy the greatest sport around.

Your friends and family need to be aware you are giving me their details and that I will give them a call.

For loans which settle I will give you a further \$200 in dive shop vouchers. This could certainly keep your head below water.

Australian Capital Home Loans is the Company and we have been operating since 1990. We are Mortgage Managers so we operate a bit differently to the normal banks and brokers. The difference being that we work with our clients whilst you have the loan to assist you pay it down faster, build equity and look at different investment ideas. Check out our website at www.achl.com.au.

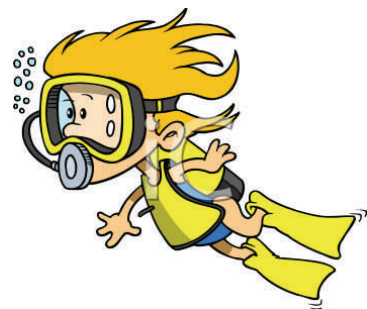

I can be contacted on 0418 754 582 or andrewb@achl.com.au

This is a great way to keep diving and let me pay for it.

Yours in Diving,
